Elementary School

- John McLoughlin Candy Lane Gaffney Lane Holcomb
- Your 5th grade elementary teacher's name _____

Required Courses

Sixth grade students have a specially designed bell schedule which includes core classes, one elective class, and an additional skill building class called Encore in English Language Arts and Mathematics.

Required courses:

English Language Arts (ELA) 6

Social Studies 6

Science 6

PE/Health 6

Encore ELA

Encore Mathematics

Mathematics (determined by your 5th gr. teacher)

Math 6

Accelerated Math 6*

5th gr. teacher/OR parent initials: _____

* If you choose to take Accelerated Math, it is highly recommended that you also join Homework Club

Elective Courses

Directions: Please write a 1, 2, or 3 next to your top three choices.

- ____ Band 6
____ Choir
____ Music Appreciation

Band 6: Students will learn the basics of instrumental music, including reading music. Students will need a music instrument. Information regarding rental or purchase of an instrument will be sent home with students after school starts.

Choir: Learn to sing different parts in a large group. Students will learn about music through rehearsal, theory (learning to read music) and performance. We perform at the annual District Choir Festival as well as home concerts. The choir may also have field trips and additional performance opportunities.

Music Appreciation: Students will experience different styles of music; from the origins of, to the science of music. We will listen to, sing and play music. We will also learn how to create our own music.

AVID 6: Advancement Via Individual Determination is a program designed to prepare students to be college and career ready. Starting in 6th grade, students in the AVID elective develop academic and organizational skills that will put them on track to succeed beyond high school. In addition, AVID students receive support that enable them to take more rigorous classes that truly make them college and career ready. This elective is available to students through high school as well.

AVID 6 replaces Encore ELA and Encore Math classes, and requires an application.
